

## A tribute to Charles 'Charlie' Morgan

It is with regret we record the passing on 20 August 2004, of another of our stalwarts, Charlie Morgan. Charlie joined Scouts in 1935. Served with the Imperial Light Horse during the War. On return to Cape Town he carried on Scouting serving the Movement as a Group Scouter / Assistant District Commissioner, District Commissioner and then Assistant Area Commissioner.

He served on various Gilcape Development Committees as well as assisted at numerous Scout Competitions, the Senior Scout Adventure and on Training Courses.

In 1995 he was awarded the Bar to his Silver Protea.

Charlie loved God and served his church in various offices, he was also a keen member of the Regimental Association of the ILH (Imperial Light Horse). His hobby was his Morris Minor 1000 of which he was very proud. Cheerful and smiling despite his pain Charles will be remembered as a good Scout. Our sympathies and prayers go to his son, two daughters and their families. Go well old friend.
