Top award for Tygerberg Scout leader

Tygerburger 22/3/1995

ONE of South Africa's highest Scouting awards, The Order of the Silver Protea, was recently presented to Assistant Area Commissioner Rex Koning of Parow by the Chief Scout of South Africa Garnet de la Hunt.

This award is only presented to Scout Leaders who have achieved specially distinguished services over a period of many years.

Rex Koning joined the Scout Movement in 1944, at the age of seven. For the past six years Rex has held the position of Assistant Area Commissioner with a huge area under his control from Maitland to Saldanha Bay towards the north, and Maitland to Hermanus towards the east.

Rex has achieved many awards including the Medal of Merit and the Bar to the Medal of Merit.

What does Rex have to say about this? "The medals and awards are wonderful achievements and I am proud of them, but the achievement that gives me the greatest joy is when I see boys grow into successful and well adjusted adults."

He contributes his success in life to his adherence to the Scout Laws and Promise. He has always tried to live up to our Founders last message: "Try to make this world a little better than when you found it."

In closing, he leaves a final message to (Brother & Sister) Scouts, in that he salutes you and challenges you all to live by your Scout Laws and Promise.
