

## A History of Cub POW-WOW's in South Africa

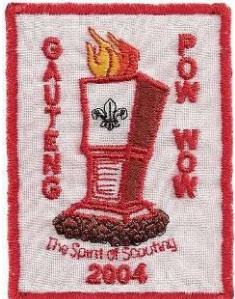

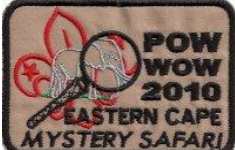

The following record was created in 2009 by the Western Cape Heritage Team and was researched using documentation from their archives. We hope you will enjoy reading about 'times past'.

As Cubbing developed, a need arose for Pack Scouters to meet and exchange ideas throughout the country and the South African Cub Pow-Wow was initiated.

<p><b>1937/8</b></p>	<p>December 27, 1937 to January 2, 1938          The first South African Cub Palaver was held at Bishops Preparatory School in <b>Cape Town</b>.          Apart from the many discussion sessions there were outings to Cape Point, Stellenbosch, and a trip up the Table Mountain cableway. The Mayor of Cape Town paid a visit as did other Scouting dignitaries and a Cub's Own was held at Gilcape in Diep River. A quote from New Year's eve: - "At midnight when the bells were ringing in the New Year, we renewed our Scout Promise and sang 'Auld Lang Syne'...and after toasts to the King, Chief Scout and visiting delegates, the evening was brought to a close with community singing". <a href="#">More ....</a> (From actual 1938 logbook)</p>	
<p><b>1942</b></p>	<p>January 11 to 12          Pow Wow was held at Lexden Camp, <b>Pietermaritzburg</b>.          The Natal Witness of Monday, 13 January 1942 carried the following caption to a photograph on which 53 people appeared: "Cubmasters and mistresses from all parts of South Africa gathered on Saturday and Sunday for the National Cubmasters Pow-Wow - the first since 1938".</p>	
<p><b>1964</b></p>	<p>January 11 to 12          Pow Wow was held at Lexden Camp, <b>Pietermaritzburg</b>.            The Pow Wow took place at the same time as the Scout SANJAMB was being held at the nearby Chase Valley. Read about the combined activities. <a href="#">More ....</a></p>
