Showcasing Outstanding Achievements by our Members

Dear Colleagues,

Over the years Scouting has helped many people achieve their goals and become successful in many aspects of their lives. Through the programmes which we run we are able to instil valuable life skills and an appreciation for sound morals in our Cubs and Scouts.

Many of our members have been recognised for achievements obtained outside our movement which have until now gone unnoticed. These achievements include being elected into a leadership positions at school/ university/ work, obtaining good marks at the end of Matric, excelling in sports and many more. We would like to showcase these outstanding achievements on our website and in other publications, so that members of the public will be able see the positive impact Scouting is having on the lives of our members.

We are asking all Group and Troop Scouters to complete the attached form and return to us as soon as possible. This will provide us with the necessary information, which can then be used to showcase the achievements of our members.

Please feel free to attach any photos or other documents to this form. All submissions should be sent to info@scouting.co.za.

Yours faithfully

Brian February
